REQUEST FOR WAIVER OF 471 APPLICATION

---

HLV Community School District, BEN 132585

471: 191036510 (Category 1)

**FRN : 190025434 Internet Access**

HLV Community School District, respectfully requests a waiver of the 2019-20 Form 471 application.

The District thought that the 471 had been certified when finished entering the information in form 471 prior to the March 27 deadline. We did not realize that the document wasn't certified until after the deadline. As soon as we discovered the form was not certified, we completed the certification.

This application contains Internet Access from Cooperative Telephone (143001939) for our children and educators and we simply need the discount to continue our work of educating our high risk students.

We are filing this waiver request today because we are unsure of when we will receive an actual OOW – Out Of Window Notification from USAC. We

understand that all documents for 2019 are in the EPC portal, but we don't know when we will receive the OOW.

Thank you so very much for your support in granting this request for waiver of the filing deadline of March 27, 2019, and we look forward to another year of discount on our Internet Access services.

Respectfully submitted this 5th day of April, 2019.
